Cary, N.C., www.melroofconsultants.net

ROOF MANUFACTURERS: MBCI,
Houston, www.mbc.com, and S-5 (ColorGard),
Colorado Springs, Colo., www.s-5.com

ROOF REPORT

The reroofing project on this 54,224-square-foot school began in June 2010 and was completed in October 2010. The team utilized retrofit framing over existing shingles and installed standing-seam panels. The roof features several unique valleys and transitions.
